

64 Ways to Pray for World Mission Broadcast

In 2008 World Mission Broadcast (WMB) will be 64 years old. Begun in 1944 as the Nazarene Radio League, today WMB has evolved into a vital, global ministry of the Church of the Nazarene. Via radio, television, Internet programs, cell phone texting, and podcasts, WMB reaches an untold number of listeners daily with the Good News of Christ.

Prayer support is foundational for WMB. The following are ways you can pray for WMB (64 ways to be exact):

- ◆ Challenge your congregation to take these requests and pray daily, for 64 days, for WMB.
- ◆ Distribute the requests, one each, to 64 different people in your congregation, and ask them to lift their WMB request to the Lord.
- ◆ Have your kids draw pictures of various requests, and then have them pray together for each request.
- ◆ Ask the youth of your church to lead a prayer service focused on WMB and using modern technology (such as podcasts and texting) to reach the lost.
- ◆ Divide the 64 requests among four Sunday School classes (18 requests per class).
- ◆ Put one request in your Sunday morning bulletin each week - this could last for a year and 12 weeks if you use all 64 requests.

Thank you for praying.
